

Especially the Family

Members with Needs

Member church leaders create a profile for their church.
Capture: Church name, Leader Name, Address, Phone, Email, How funds should be provided (Wire transfer, check to church office).

*After a profile has been created – church leaders need only log in to submit a need.

When needs arise church leader submits a request.
Provide - short description of need, detailed story/ description, Pictures, total amount needed.

*Church information and how to send funds will come from the Members profile.

Each request will be evaluated and when approved the Need will be made visible on the site for Donors.

Donor Members

Donor Members create a profile for themselves
Capture name, Address, email.

*After a profile has been created – Donors need only log in to view needs and make donations.

Donors review Needs and select a specific need to donate funds for. Or they may choose to donate without selecting a specific need.

- Donors may see needs without a profile but can only make donations when logged into their profile.
- Donations can be set up as recurring or one time.
- Donations can be for the total amount of the need or a portion.
- Donations can be charged to a credit card or by check mailed to Especially the Family.

Home Page – Display:

- Needs Total – the Total Need dollar amount is to be displayed on the Home page (Only Approved Needs)
- Donations Total – the Total Donations dollar amount is to be displayed. On the Home page
- Need to clearly see donations versus needs so that visitors to the site can see if needs are being met or if more funds are needed.
